**AN INVITATION TO JOIN THE SOUTHERN
REGIONAL DEMOGRAPHIC GROUP (SRDG)**

The Southern Regional Demographic Group (SRDG) is an organization of university faculty and other specialists in demography and related fields. It was organized in 1970 under the auspices of Oak Ridge Associated Universities. Members of SRDG are interested in promoting demographic research and training. To be a voting member, one must indicate his interest to the SRDG Secretary-Treasurer with a remittance of annual dues (\$6 for a regular member and \$2 for student members) c/o Dr. William Serow, Institute for the Study of Population, Florida State University, Tallahassee, Florida 32306.* Members receive the *Newsletter*, discounts on other SRDG publications, as well as notice of the SRDG annual meeting and other related conferences, seminars and workshops.

Oak Ridge Associated Universities (ORAU) is a private, not-for-profit association of 45 colleges and universities. Established in 1946, it was one of the first university-based, science-related, corporate management groups. It conducts programs of research, education, information, and training for a variety of private and governmental organizations. ORAU is noted for its cooperative programs and for its contributions to the development of science and human resources in the South.
